12 th	Delhi Public School, Bulandshahr	2016	83.4%
10 th	Delhi Public School, Bulandshahr	2014	93.2%

INTERNSHIPS AND PROJECTS

- ⇒ Developed a website for locating Medical Stores for users and Inventory Management for Chemists.
 - We aim to provide data for the closest chemist store around you. Once the chemist is ready to share his/her inventory details, one will be able to check the availability of any medicine. For now, we have used dummy data to illustrate the same. Further, the project will help the users to know the various uses of any medicine and also help check for symptoms of any disease. Also, the chemist will also be able to manage the inventory of the chemist store online and keep a check on the availability and expiry date of any medicine.
 - Link: <https://thegladiators.tech>.
- ⇒ Developed Android Application for Placement Cell, Chitkara University to ease its functioning.
 - The app has login activity for students, faculty and placement coordinators using phone numbers. It helps the students find the companies visiting the campus, their details, and eligibility. Also, the students can know about the placement history and have a contact form to contact the placement coordinators. The faculty can upload their free lectures during the working days and find their venues for the assigned placement duties. The placement coordinators can filter the eligible students for a company and send them an email for confirmation, assign duties to the faculty, and upload details about the new upcoming companies.
- ⇒ Published an [app](#) at Google Assistant "Choose Your Role Model" in February 2018.
 - The application uses Actions on Google using prebuilt voice-to-text recognition to help user play a small trivia quiz which helps them find their probable role model.
- ⇒ Internship at Chandigarh Metro Pvt. Ltd. as Content-Strategist from July 2017-November 2017.
 - Created 29 articles with total views of 21,000+ during my internship.

COMPETENCIES AND SKILLS

- ⇒ Worked on Operating Systems: Windows and Linux.
- ⇒ Programming Languages: Android, Java, SQL, JavaScript, C, C++.
- ⇒ Intermediate knowledge of Operating Systems, Designing Algorithms, and Data Structures.

CERTIFICATIONS AND CO-CURRICULAR ACTIVITIES

- ⇒ Amongst Top 150 to clear HCNA Certification (Round 1).
- ⇒ Certified GAIT Online Program IT Professional with GAIT official score of 384.
- ⇒ Completed "JavaScript Algorithms and Data Structures" developer certification from freeCodeCamp, representing approximately 300 hours of coursework in October, 2018.
- ⇒ Recipient of Google Reskill India 3-month Challenge Scholarship by Udacity (Phase I).

- ⇒ Procured 11th International Rank in Silverzone IT Olympiad.
- ⇒ Gold Medalist in Silverzone IT Olympiad at National Level.
